

Castor Maritime Inc. Announces Delivery of the *M/V Magic Venus* and New Charter Agreement

Limassol, Cyprus, March 3, 2021 – Castor Maritime Inc. (NASDAQ: CTRM), (“Castor” or the “Company”), a diversified global shipping company announces today that on March 2, 2021, it took delivery of the *M/V Magic Venus*, the 2010 Japanese-built Kamsarmax dry bulk vessel it had agreed to acquire as previously announced on February 1, 2021. The *M/V Magic Venus* acquisition was financed in its entirety with cash on hand.

The *M/V Magic Venus* is expected to commence employment under a time charter agreement on or about March 5, 2021, with a daily gross charter rate of \$18,500 and an expected term of between minimum five to about seven months. Castor estimates to generate approximately \$2.8 million of gross incremental revenues for the minimum scheduled period of the charter and approximately \$4.2 million should employment extend to its maximum period, in each case assuming no off-hire days.

About Castor Maritime Inc.

Castor Maritime Inc. is an international provider of shipping transportation services through its ownership of oceangoing cargo vessels.

On a fully delivered basis, Castor will have a fleet of 12 vessels, with an aggregate capacity of 1.1 million dwt, consisting of 1 Capesize, 3 Kamsarmax and 6 Panamax dry bulk vessels and 2 Aframax tankers. Where we refer to information on a “fully delivered basis”, we are referring to such information after giving effect to the successful consummation of our recent vessel acquisitions that we have previously announced.

Cautionary Statement Regarding Forward-Looking Statements

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their

business. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts. The Company desires to take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and is including this cautionary statement in connection with this safe harbor legislation. The words “believe”, “anticipate”, “intend”, “estimate”, “forecast”, “project”, “plan”, “potential”, “will”, “may”, “should”, “expect”, “pending” and similar expressions identify forward-looking statements. The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs or projections. We undertake no obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise. In addition to these important factors, other important factors that, in the Company’s view, could cause actual results to differ materially from those discussed in the forward-looking statements include general dry bulk and tanker shipping market conditions, including fluctuations in charter hire rates and vessel values, the strength of world economies the stability of Europe and the Euro, fluctuations in interest rates and foreign exchange rates, changes in demand in the dry bulk and tanker shipping industry, including the market for our vessels, changes in our operating expenses, including bunker prices, dry docking and insurance costs, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, potential disruption of shipping routes due to accidents or political events, the length and severity of the COVID-19 outbreak, the impact of public health threats and outbreaks of other highly communicable diseases, the impact of the expected discontinuance of LIBOR after 2021 on interest rates of our debt that reference LIBOR, the availability of financing and refinancing and grow our business, vessel breakdowns and instances of off-hire, risks associated with vessel construction, potential exposure or loss from investment in derivative instruments, potential conflicts of interest involving our Chief Executive Officer, his family and other members of our senior management, and our ability to complete acquisition transactions as planned. Please see our filings with the Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties. The information set forth herein speaks only as of the date hereof, and the Company disclaims any intention or obligation to update any forward-looking statements as a result of developments occurring after the date of this communication.
